Re: Application of The Union Light, Heat and Power Company for Approval
of its Proposed Economic Development Riders, Case No. 2004-00253

Dear Ms. O'Donnell:

I am writing in response to the Intra-Agency Memorandum dated November 23, 2004 and filed in the record of the above-captioned case. This Memorandum memorializes the informal conference held on November 19, 2004 at the office of the Commission. The Memorandum indicates that The Union Light, Heat and Power Company (ULH&P) was to provide a revised economic development tariff to the AG and the Staff within two weeks of the informal conference, or December 3, 2004. However, ULH&P understood that it was to provide such revised tariff within three weeks of the informal conference in order to accommodate the Thanksgiving holiday schedule.

Accordingly, ULH&P anticipates providing the AG and the Staff with a revised economic development tariff(s) during the week of December 6, 2004, but in no event later than December 10, 2004. If this misunderstanding and resulting delay causes the Commission or AG any hardship, please contact me at the above telephone number so that we can work out a mutually-acceptable arrangement.

Sincerely,

Michael J. Pahutski
